About the City

Welcome to Mountain View!

Mountain View is located in the heart of the Silicon Valley just 10 miles north of San Jose and 35 miles south of San Francisco. The City covers 12 square miles and is home to 72,200 residents as well as many nationally and internationally known corporations such as Boston Scientific, Google, Intuit, Microsoft, Veritas and Verisign.

Mountain View is a modern, high-tech city operating under a council/manager form of government, with a 7-member City Council. While Mountain View is keeping pace with new ideas and innovations, the City is also committed to the traditional values of strong neighborhoods and citizen involvement. The mission of the Mountain View city government is to provide quality services and facilities that meet the needs of a caring and diverse community in a financially responsible manner.

Mountain View has a collaborative, customer-oriented, non-bureaucratic style of city government designed to meet the demands of today’s fast-paced world. Recognizing that businesses are driven by time-to-market, productivity, and profitability goals, Mountain View offers a customized development review process. Timely, one stop service is coordinated through the City’s Development Services Center.
